

law enforcement in my district who are helping to keep their communities safe.

First, there is West Lafayette Police Officer Brian Danosky who risked his own life to provide lifesaving care to a 22-year-old who had a gunshot wound.

In Frankfort, Indiana, Sergeant Chris Salaba was awarded Officer of the Year last year for helping his department overcome challenges from the COVID-19 pandemic.

In Putnam County, Sheriff Scott Stockton and his deputies kept deadly drugs off of our streets by seizing 225 pounds of meth.

These are just a few of the examples of police officers working to keep our neighborhoods safe.

I think it is important to highlight their work and remind citizens that most police officers are good people who want to protect their communities and serve the people within them.

#### RECOGNIZING THE RIVERHEADS HIGH SCHOOL FOOTBALL TEAM

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, I rise today to recognize the Riverheads High School football team of Augusta County, Virginia, who recently won the Commonwealth's class 1 State football champion.

After a close first quarter, the Gladiators scored 34 points in the second quarter, propelling them to a resounding 65-29 victory over the Galax Maroon Tide.

Riverheads has now won a notable five consecutive State titles. Senior running back Zac Smiley, who led the team with 121 rushing yards, said: "It almost feels normal, but it's not."

The Riverheads' running game had been strong all season, which allowed the Gladiators to catch the Maroon Tide off guard with an impressive three passing touchdowns, culminating in an all-around unstoppable offense.

When asked what the pressure was like to win again, Head Coach Robert Casto said: "We didn't get caught up in all of that stuff." He said their victory "was just a byproduct of the hard work these kids have put in."

Indeed, every State championship is earned, not given, and this squad certainly earned it.

Congratulations to the players, coaches, and staff on their remarkable accomplishment.

#### BUSINESSES NEED WORKERS

(Mrs. McCLAIN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. McCLAIN. Madam Speaker, today, I rise to be the voice for business owners in my district, who, again, have been kicked while they are down.

This majority and President Biden insist people need more unemployment

benefits. They don't. There is a record number of open jobs, more than 8 million, of which only 266,000 of those jobs have been filled. That means that this administration is incentivizing people not to work.

For President Biden to suggest that we need to spend another \$4 trillion on the backs of our children and grandchildren to get back to work is insane.

The jobs are there. The incentives to take the jobs are not.

This nationwide problem is impacting Michiganders. In fact, the biggest issue that I hear from business owners in my district is not about COVID or mask mandates or vaccines. They need workers.

I am calling on the Speaker to actually go out into her district and learn what businesses actually need. They don't need more money. They don't need more stimulus. They need more employees.

#### COLONIAL PIPELINE ATTACK

(Mr. CAWTHORN asked and was given permission to address the House for 1 minute.)

Mr. CAWTHORN. Madam Speaker, the energy crisis created by the Russian hack of the Colonial Pipeline is impacting my district in the worst possible way. Gas prices have skyrocketed. Lines are forming all across the great State of North Carolina.

Madam Speaker, I am here today to say what few politicians will, but what most of the Americans believe. We were attacked. We were attacked by a foreign entity, and the current administration has done nothing in response.

When our leadership is weak, our Nation suffers.

You don't believe me?

Take a look outside. Our border has dissolved into ruin, gas prices are skyrocketing, and the dollar is worth less and less each day. Israel is burning, China is rising, and Russia attacks our homeland.

All the while, the American people wonder when this administration will finally grow a backbone and stand firm against a growing wave of international tyranny. President Biden is weakening our defenses. The wolves are at the gates, and America's leader is asleep at the wheel.

But you know what?

Thank heavens we have a President who doesn't tweet mean things anymore.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

#### RECOGNIZING THE MOUNTAIN FIFES AND DRUMS OF TWIN PEAKS, CALIFORNIA

(Mr. OBERNOLTE asked and was given permission to address the House for 1 minute.)

Mr. OBERNOLTE. Madam Speaker, I rise in proud recognition of the Moun-

tain Fifes and Drums music program in my own district in Twin Peaks, California.

This program is dedicated to the patriotic mission of teaching young Americans, age 10 to 18, appreciation of and performance of 18th century military music.

They do this through instruction in classic musical instruments, such as the fife and the rope tension drum. I am extremely proud that the Mountain Fifes and Drums music program is performing today in Mt. Vernon, appropriately, the home of our first Commander in Chief, George Washington.

It warms my heart that programs like this exist to teach this patriotic art and appreciation of this unique period of American history to a new generation of Americans.

#### HONORING THE MEMORY OF THE HONORABLE CARLOS ROMERO BARCELO

(Miss GONZÁLEZ-COLÓN asked and was given permission to address the House for 1 minute.)

Miss GONZÁLEZ-COLÓN. Madam Speaker, I rise today to honor the memory of a distinguished past Member of this House, the Honorable Carlos Romero Barcelo, also former Governor of Puerto Rico, who passed away on May 2, 2021.

Congressman Romero Barcelo represented the people of Puerto Rico in this Congress from 1993 to 2001.

He was not only a dear friend, but also a mentor whose tireless, lifelong devotion for the equality of all island residents inspired me to follow his footsteps.

I ask that the House observe a moment of silence in his memory.

#### RECOGNIZING DETECTIVE STACY HINSHAW AND ALL LAW ENFORCEMENT OFFICERS

(Mrs. SPARTZ asked and was given permission to address the House for 1 minute.)

Mrs. SPARTZ. Madam Speaker, I rise today in honor of National Police Week to recognize the members of law enforcement who bravely serve to protect our communities across the Nation.

I would also like to give a special recognition to Detective Stacy Hinshaw from the Lawrence Police Department for being named detective of the year. During the year 2020, Detective Hinshaw worked over 119 cases, the vast majority involving complex child abuse and sexual assaults. Detective Hinshaw has developed an extensive network of support resources for victims in partnership with many community organizations and has been recognized by the FBI and the U.S. Attorney's office for her work.

Congratulations to Detective Stacy Hinshaw, and I would like to extend my deepest gratitude for all law enforcement officers.
